Healthcare Built for Local Business. Simple. Predictable. Direct.

Provide your workforce with unlimited primary care, zero copays, and same-day virtual visits for one flat monthly rate—without touching expensive health insurance claims or raising loss ratios.

WHY FLORIDA EMPLOYERS CHOOSE DIRECT EMPLOYER HEALTH

Zero Claims & Predictable Overhead

All-cash membership model means zero copays, zero deductibles, and zero insurance claims. Keep group health insurance loss-ratios low while offering top-tier health benefits.

Maximum Productivity & Zero Downtime

Employees consult directly with an internal medicine doctor via phone, video, or text under FL telehealth laws. Minor acute issues get resolved in 15 minutes during lunch breaks.

Comprehensive Internal Medicine

Includes preventive wellness exams, chronic disease management (diabetes, hypertension), acute sick visits, basic procedures, and direct wholesale pricing on labs and diagnostics.

100% Tax-Deductible Business Expense

Employer contributions toward direct care memberships qualify as fully tax-deductible employee welfare benefits. Dependents can be added via pre-tax payroll deductions.
